Advisory Meeting

- LAKEYPAA has contacted 2 members of the committee in regards to the treasure report. There have been multiple changes in the treasurer position and that the report may be off. They are concerned that we would "pick" on them.
- Nicki has updated packets; advisory by-laws, host, bid and NDAH policy.

TALK TO THE BIDS  
Advisory sees all bids together  
Bids come meet advisory in section  
Split all bid and advisory to split

Discussion  
What is the purpose of us speaking to them; the bids to ask us questions or for us to give them feedback?  
Transparency and allow the people to process

- This is how we would decide how we will talk to the bids.
- Maze room is available for us tomorrow night (Saturday )
- It feels overwhelming to have all the bids meeting together.
