5. Final Decision

Dear ISCYPAA Attendees,

It is with a heavy heart that the Advisory Committee has made the difficult decision to not have the 2020 Conference this weekend. This decision was not made lightly and was with the utmost feeling of responsibility to the Conference, the Host Committee, Bid Committee Members, and attendees. We are working diligently to resolve this matter.

While the logistics of this decision are still being finalized, we want to keep all attendees informed so they may cancel their travel plans and hotel rooms. It is our understanding there will not be a charge for hotel rooms - please contact the Hotel directly to cancel as soon as possible.

All information regarding registrations, bid presentations, and everything else the conference entails will be shared as it becomes available. Thank you for your patience, understanding, and for demonstrating the spirit of Alcoholics Anonymous through this difficult time.
