ISCYPAA Purpose Statement

The Illinois State Conference of Young People in Alcoholics Anonymous is an annual Alcoholics Anonymous conference. It is an event for any and all members of AA, and is organized primarily by young, recovering alcoholics. We define young as "room to grow". ISCYPAA was first held in 1983 to provide a setting for an annual celebration of sobriety among young people in A.A. throughout the state of Illinois. This meeting is an opportunity for young A.A. 's from all over the state and elsewhere to come together and share their experience, strength, and hope as members of Alcoholics Anonymous.

ISCYPAA Structure

The work of the registered 501-(c)(3) corporation known as "ISCYPAA, Inc." shall be carried out through the joint cooperation of the Host Committee and the ISCYPAA Advisory Council. A brief description of ISCYPAA's basic organizational elements can be found below:

1. ISCYPAA's annual conference, its Host Committee, Bid Committees and its Advisory Council shall be formed and maintained as A.A. service entities, geared towards carrying A.A.'s message of recovery. It is suggested that all members of ISCYPAA's Advisory Council and its Host Committee, conduct themselves in adherence to the principles of the 12 Steps, 12 Traditions and 12 Concepts of Alcoholics Anonymous.
2. ISCYPAA Advisory Council activities throughout the Host/Bid year are always ultimately aimed at the preservation and growth of ISCYPAA as an A.A. conference, and its survival as an incorporated organization. The Conference and all ISCYPAA activities are considered "open" to members of Alcoholics Anonymous as well as those wanting to support or learn more about alcoholism, unless clearly stated otherwise - certain portions of the Conference may be deemed "closed" to those who have a desire to stop drinking per the Host Committee. All ISCYPAA bidding/ hosting related activities carried out annually by Illinois AA members are overseen and supported by the Advisory Council with the sole incentive of carrying A.A. 's message to the suffering alcoholic.
3. ISCYPAA as an A.A. conference meets annually and its operation/A.A. service activity is modeled after the Bidding/Hosting conference structure used by ICYPAA and other "YPAA" conferences. Generally speaking, the ISCYPAA Advisory Council oversees where the conference itself is hosted, after formal bid packets, which meet all bidding requirements, are taken into consideration via the site selection process. This process is repeated cyclically on an annual basis, and important to ISCYPAA's wellbeing is the Advisory Council's consistent work with Bid Committees and the Host Committee throughout the Host/Bid year.
4. The conference and events throughout the year may have a registration price or suggested donation, however, no participant shall be turned away solely for lack of funds.

HOST COMMITTEE RESPONSIBILITIES

1. Return to your city and disband as a Bid Committee. Schedule an election meeting for one month in the future and distribute fliers (make sure Advisory gets a copy so that they may attend and assist with elections). TAKE THE NEXT MONTH OFF!!!
2. At the election meeting, executive officers (chairperson, co--chair, treasurer, and secretary) and committee heads will be elected by those present at the meeting. Hopefully, all those who participated in the bid committee will want to join the host committee as well. However, that is not a requirement for election to the Host Committee.
3. The Host Committee should be directly involved with any activity that will generate funds for the conference.
4. All flyers for events need to be sent out at least one month prior; please forward all fliers to Advisory's Webmaster so that they may be included on the website.
5. The Host Committee needs to approve any and all purchases and expenses
6. The Host Committee needs to make every effort to carry the message of ISCYPAA throughout the entire state. The Host Committee is encouraged to host a hospitality suite at the Illinois State Conference (conference funds may be used for the purpose of obtaining a suite).
7. At least three (or more) members will be voted on to serve as Advisory members. These elections typically take place at the All Illinois Open. **all host members should be present for voting** Please see the Advisory Packet for details.
8. All ISCYPAA Conferences shall be designated as such and shall be further distinguished by the Host Committee by a number to preserve autonomy and character.
9. No ISCYPAA Conferences shall be held in conjunction with any other function, A.A. or otherwise. In addition, Host Committees should go to the great possible lengths to ensure that their conference will not be in conflict with any other scheduled major A.A. function within the scope of the conference.
10. Each newly elected Host Committee shall receive seed money from the Advisory Council's Prudent Reserve, this money shall be returned to the Council after the close of the Conference so that it may be passed on to the next Host Committee.
11. All ISCYPAA Host Committees are obliged to pay all of the expenses involved with hosting their conference and cannot expect Advisory to assume any financial responsibility. Each Host Committee has 60 days after the close of their conference to forward a financial statement and the net proceeds from the conference to Advisory by means of either a cashier's check or money order.
12. The Host Committee shall submit final reports for all chairpersons, as outlined in this packet, which are intended to be used for informational purposes. They shall have 30 days after the close of their conference to submit these reports.
13. All materials (a sample of the program, speaker recordings, and merchandise) produced by the Host Committee shall be forwarded to the Advisory Archivist

following the close of the conference.

14. The Host Committee shall be primary caretakers of any official ISCYPAA social media accounts for use as an outreach tool. The Advisory Council shall also moderate and ensure that GSO's Guidelines for Internet Usage are adhered to, as well as ISCYPAA's Non-Discrimination and Anti-Harassment Policy.
15. The Host Committee is responsible for including information about the General Service Office's Guidelines for Internet usage concerning anonymity in the Program of Events for their conference. All members of ISCYPAA, including, but not limited to, Advisory Council members, Host Committee members, and Bid Committee members and all individual ISCYPAA conferences must adhere to these guidelines.
16. The Host Committee shall be offered all prior conference materials together with whatever individual or collective information that Advisory Council members may possess. Once chosen, the Host Committee shall be given complete autonomy in matters concerning the planning of the conference, with exception to the signing of the final Hotel Contract, which must be signed by a member of the Advisory Council's Executive Committee or Hotel Liason - This is only intended as a failsafe to protect the financial integrity of the conference structure, and is not meant to discourage group autonomy. The Council shall approve the Conference Program before publication to ensure the 12 steps, 12 traditions and 12 concepts are adhered to. Advisory shall not be critical or over-bearing regarding the Program.
17. The Advisory Council stands ready to assist the Host Committee when requested or necessary. In the event that significant problems arise, rendering the Host Committee unable to plan and conduct the conference, the Council shall assume the planning and production of the conference, or shall delegate the same to a new and able Host Committee. Advisory urges all those working on either committee to contact us with any questions or problems that may arise. Contact information for the Advisory Council can be found at www.iscypaa.org

Veto Procedure

The Advisory Council has the chief initiative and the active responsibility in ensuring the integrity and continuity of ISCYPAA year after year. Any Host Committee decision that might be viewed as detrimental to the principles of AA or to current or future ISCYPAA's would be of utmost concern. If such a matter comes to the attention of the Advisory Council, all due diligence will be exhausted in communicating the concern to the Host Committee. If after having been informed of the concern, the Host Committee chooses to stay the course, any member of the Advisory Council can make a recommendation to the full Council that the Host Committee decision should be vetoed. If no Advisory Council meeting is imminent and time is of the essence, an emergency meeting may be called by the Chairperson to address the issue. A vote to veto a Host Committee decision requires a $\frac{2}{3}$ majority of the full Advisory Council. If the veto passes, the Host Committee Chairperson should be notified by the Advisory Council Chairperson of the decision.

Conference Weekend

- **ENJOY YOURSELVES!!! Remember our primary purpose, and that you are acting as the first example of AA some of your attendees will see!!**

- There will be a brief wrap up meeting with Advisory Sunday after the morning speaker meeting. All host members should attend.
